Clinical and Externship Courses				
Course Number and Section	Course Name	Credit Hours	Faculty	Description
940-1	General Litigation Clinic	3	Williamson/ Pohlman	The General Litigation Clinic class is scheduled to meet on Thursdays from 4:00 to 5:50 PM throughout the semester. Class times may be either in-person, asynchronous assignments on Echo360, or synchronous meetings via Zoom (or in-person when possible). You will be notified in advance of the meetings and/or assignments, not to exceed the reserved class time allocation. You will be provided a link, if applicable. Law students who have received a limited license to practice law from the Ohio Supreme Court represent clients under faculty supervision in a variety of criminal and civil matters. Students develop practical lawyering skills through client representation, including interviewing, counseling, legal research, drafting, negotiation, and courtroom advocacy. The seminar component integrates skills training, professional responsibility, case rounds, and professional identity development. The course is open to 3L students and 2L students in their second semester who have taken 670 (evidence) and 690 (professional responsibility). Students must also satisfy the requirements for the Supreme Court of Ohio’s Legal Intern License. Enrollment priority will be given to students who have taken 908.
941-1	Mediation Clinic	3	Wheeler	The professor will contact students prior to the first week of class to schedule two class meetings that are at a time convenient to all parties. The first-class meeting, held at the law school, will last 3-4 hours and include a review of the course syllabus along with other course forms and a skills review using mock mediations. The second-class meeting, held at the Franklin County Municipal Court, will last two hours and will introduce students to the staff of the small claims court and the prosecutor’s office as well as the magistrates of the small claims court. One-hour Zoom classes will be held throughout the semester at times convenient to students and professor. The remaining “class time” will be spent conducting and/or observing mediations in the small claims court from around 1:15 PM to 4:00 PM on Tuesdays, Wednesdays and/or Thursdays. Students only need to be available one afternoon on a Tuesday, Wednesday OR Thursday. Limited mediation opportunities are available in the prosecutor’s office starting at either 5:00 PM or 6:00 PM on select evenings. Students may also observe mediations at other locations such as the Ohio Civil Rights Commission and the Franklin County Domestic Relations Court Mediation Program.
944	Externship	2/3	Beem	To be enrolled in the externship course, students must apply through the Office of Professional Development and be approved by Assistant Dean Beem. Students are unable to enroll in the course via myCap. Students may seek 2 or 3 credits of externship during the spring semester. This course does not meet for a regular weekly class session. Approved students will complete asynchronous learning videos, submit course assignments via Canvas, and meet in person with their assigned faculty supervisor on two occasions scheduled via Canvas.
